

HAPPY GIS DAY!

WEDNESDAY, NOVEMBER 13, 2019

We love celebrating GIS Day because GIS data is valuable to your utility!

- ◆ Provides accurate maps
- ◆ Increases operational tempo & response time
- ◆ Reduces liability & man-hour costs
- ◆ Improves service

McLean Engineering conducts all its inspections on a GIS basis, so we can improve your maps while we improve your system. For more details on how McLean can help you, scan the code at left. 877-985-1148 ◆ info@mcleanengineering.com
